RETAIL MANAGER DAILY CHECKLIST

ENFORCEMENT + MANAGER EXECUTION + OWNER ACCOUNTABILITY

CHECK IT -> CATCH IT -> CORRECT IT -> RECHECK IT -> DOCUMENT IT -> FOLLOW UP

MANAGER: _____	DATE: _____
STORE 1: _____	STORE 2: _____

This checklist is completed LIVE. The Manager certifies two things: (1) Sales Associates were actually enforced and verified, and (2) the Manager completed the Manager's own assigned work.

1. MANAGER START-OF-DAY CONTROL

☐ Clock in and reviewed my schedule / required time at both assigned stores.
☐ Reviewed Morning, Evening and Night staffing/coverage for BOTH stores.
☐ Reviewed Team Chat, Marketing Chat and Sales Chat.
☐ Reviewed today's Sales Associate Cleaning Calendar + Marketing Calendar.
☐ Reviewed today's Manager responsibilities, calendar assignments and deadlines.
☐ Reviewed prior-day failures / employees requiring next-shift follow-up.
☐ Identified call-outs, lateness, coverage gaps, store issues, low-stock/restock issues and Owner escalations.

PRIOR FAILURE / FOLLOW-UP EMPLOYEE(S): _____

2. SALES ASSOCIATE 30-MINUTE START CHECK - EVERY SHIFT
