ZONE DEFINITIONS

Zone 1 = Right-side showcases + slat walls behind them | Zone 2 = Back-middle 2 display cases + back slat walls | Zone 3 = Left-side showcases + slat walls behind them

CLEAN-AS-YOU-GO IS ALWAYS REQUIRED: The calendar assigns the scheduled full cleaning task. Every associate must still immediately handle trash, spills, dirty counters, obvious fingerprints, overflowing trash, and customer-created messes during every shift - including Sunday.

COMPLETION RULE: Assigned Area -> Follow General Retail Cleaning SOP -> Complete Entire Area -> Self-Inspect -> Take Definitive Proof -> Label Proof -> Post to Team Chat -> Manager Verifies.

A PHOTO DOES NOT MAKE A TASK COMPLETE. The entire assigned area must meet the SOP standard and the proof must allow management to verify completion.
